EVENT & WEATHER CHECK

For those members that can not attend Monday night meetings on a regular base it would be advisable to check if events are still on or cancelled. Weather may played a great part in cancelling or postponing events so if you are not sure or if the weather conditions are uncertain, check by: phone the contact number for that event or the Club on 0407 401 064 or 9948.6688 or our Website - www.manlywarringahmcc.com.au

Ride Grades

The Club has adopted the following ride grades for off road trail riding.

There are four grades and the expectation for each grade and the minimum type of bike required.

Adventure Touring - Mostly open and relatively easy dirt roads. Rides will generally be of a longer distance but will often include some sight-seeing along the way. (Dual sports bikes - such as Tenere's, BMW's, KTM's etc.)

Easy Grade - An easier dirt bike ride of mostly open fire trails for those with little or no dirt bike riding experience.

May include a few obstacles but assistance will be provided if required. (Trail Bike)

Medium Grade - General trail ride for the competent rider with a well-maintained bike. May include single tracks, obstacles, river crossings, harder hills, etc. Carry all your own equipment and have your bike well prepared. (Trail/Enduro Bike)

Hard Grade - Difficult and/or long ride recommended for experienced riders only. Carry all your own equipment and have your bike well prepared. Contact ride leader for details. (Enduro Bike)
